## Riverview Lodge Lifestyle

Riverview not only provides housing to our guests, we provide a Lifestyle.

Riverview Lodge embraces an environment which encourages social interaction. Residents are encouraged to become socially active, establish friendships, enjoy the fellowship and become an integral part of our community. Several of our residents work locally or with employment agencies. Everyone is involved in decisions relating to our home. Residents are encouraged to participate in activities and therapeutic recreation. Parties and outings are scheduled throughout each month. We facilitate the coordination of case management, psychiatric services, medical appointments and transportation. On-site psychiatric and medical services are available. We provide supervision of the self-administration of medication.

Riverview Lodge is a Licensed Residential Care Home and a member of the CT Association of Residential Care Homes.

### CARING STAFF

Assistance with daily social and personal-care needs in a dignified and caring environment. Our staff is continually trained to provide a nurturing environment that allows a “home-like” atmosphere. You will enjoy independence while being provided all the comforts of your own home. We will pay careful attention to ensure your well-being and happiness. We provide home-cooked meals and freedom from laundry and housekeeping. We develop a program to meet your individual needs.

### SMALL COMMUNITY LIVING

Riverview Lodge is located in the quaint New England village of Deep River. Located just 2 blocks from the center of town. Deep River offers several small businesses to serve your needs in a country setting.

We are located in the Connecticut River Valley. Just a few blocks from Deep River Landing with a boat launch, fishing, swimming area and tourist activities provided by the Essex Steam Train and Riverboat Cruises.

Conveniently located off Route 9, we are just blocks away from the CT River, shopping and historic sites.

The DeLano family has owned & operated Riverview Lodge since 1967. We are proud to be “hands-on” owner/operators that are available daily to our residents. Please contact Jim DeLano to schedule a tour of our home and to discuss placement options. We look forward to discussing housing options and what we can do for you and your loved ones.
